ABOUT US

Skynik Food Products Pvt. Ltd.

Skynik Food Products Pvt. Ltd. is a trusted name in the Indian food manufacturing industry, offering a wide range of high-quality, affordable food products since 2014.

Based in Kolkata, we specialize in manufacturing and supplying snack pellets, fryums, pasta, vermicelli, multigrain flours, millet-based products, and nutraceutical ingredients.

With a commitment to excellence, we blend traditional values with modern technology to create food that's consistent in quality, taste, and safe for every table.

State-of-the-art infrastructure enables us to serve both retail and institutional clients through customised solutions, private label partnerships, and bulk ingredient supply.

Why Skynik?

- FSSAI & industry-compliant manufacturing
- Bulk & private label capabilities
- Consistent quality, timely delivery
- Wide distribution network across India

We take pride in being a family-driven business that has earned the trust of leading food brands, wholesalers, and distributors. Whether you're a start-up, food processor, or retail brand- we're here to deliver value, reliability, and nutrition in every batch.
